2022-2023 SCHOOL YEAR MONTHLY THEMES

September Chicka Chicka boom boom look who's in our room- All About Me and my family. We will learn about our friends and teachers also!

October Fabulous Fall- Apples, leaves, pumpkins, all things fall. Fire prevention week is 10/9-10/15. Bus safety week is 10/17-10/21.

November Family Traditions- What traditions does your family have? Helping others, being grateful, manners and Thanksgiving festivities.

December Five Senses- sight, taste, touch, hearing, and smell-help us to take in and organize information about the world around us.

January We're Frozen- Let's visit the Arctic-Animals that live in the arctic, water/ice activities, temperature

February The more we get together We will talk about friendship, family and feelings throughout the month. February is also Dental health month.

March National reading month- we will discuss types of literature, Rhyme Time & Fine arts (All about Books, rhyming, art) We will celebrate Dr. Suess's Birthday on March 2.

April Nature explorers- Let's explore the world around us. We will discuss weather, plants/animals, while exploring the outdoors

May Down on the farm- Learning about farm animals, and exploring where our food comes from.

June It's a zoo! Let's have fun Exploring Jungle animals and the safari.

July What's your superpower? We will learn about our own superpowers and use our imagination to learn about fairytale worlds.

August Summer fun! Best parts of summer, ice cream, beach, pools, water play. Let's play while we discover what will sink/float, what is heavy/light, behind/in front)
